BURLINGTON COUNTY
SAINT PATRICK'S DAY PARADE

Dear Friends of the Burlington County St. Patrick's Parade-

The parade started back in 2004 to help highlight South Jersey's rich Irish heritage and is the only parade in South Jersey outside of the jersey shore. Now in its 19th year, the parade annually hosts over 10,000 people lining high street each year to watch the parade.

The parade committee is an entirely volunteer-driven organization. Without the support of sponsors like you, the parade would not be possible. Your support will not only help us to make the parade a smashing success but also highlight your company.

We look forward to working with your team to ensure that your company is highlighted to the maximum level possible. We are willing to work with you to adjust our sponsorship deals to best suit your company's needs. If you have any questions, please feel free to contact me at any time and I will be happy to answer any questions you may have.

Sincerely,

Jim Logue
Parade Director
